September Scenes from Campus

1 & 2. Our first fall ball program is coming to an end this week. Players, parents and coaches are calling it a success. 3. During one of the ball games, a double rainbow was sighted over the gym. 4. The gym addition is getting closer to the “finish line”. The back steps leading to the pool area are now completed. 5. The gym was the main site for the 10th annual Veterans Health Fair. 10 new veterans were enrolled this year. 6. A scene from the fish fry that was part of the Health Fair.

Registrations are now being accepted for our first session of youth basketball. This is for girls and boys who are in Kindergarten and First Grade. Hopefully, their season will be completed before the Christmas break.

The push continues to finish the gym addition project. Many of you have contributed

to this project (financially and volunteer work). We greatly appreciate everything that has happened to date. We are anxious to bring this to completion .

The fall board meeting will be held on Oct. 21. Please join us in praying for God’s continued blessing on GCM. We do want to thank you for your

support of our outreach efforts. Humanly speaking, we do not know how we could operate without your generosity.

If you have any questions we invite you to contact us. We are also available for skype teleconference, if you so desire. For personal visits please contact the RCA Speakers Bureau at 1-800-722-3705.
